GSR Report

Chris reported on the District 10 meeting.

Officers Reports

Treasurer's Report (Frances) – The Treasurer's report was reviewed and approved after amending to remove donations to the district, GSO, central office, and area. The changes were made because after deducting expenses for the month, prudent reserve dropped below \$500.

Frances reported that a federal tax id was obtained and we are now writing checks from the new business account. She is still researching the option of trying to obtain non-profit status.

It's possible yellow can donations are being stolen and there was discussion around acquiring a locking can.

A suggestion was made to have meeting leaders announce the 7th tradition in an effort to increase contributions, which don't seem to be keeping pace with the group's growth in members.

Corrections Report (David H) – Ty said there was nothing to report.

Literature (Craig) – Craig reported business as usual this month.

Treatment (Angela) – no report.

Cooperation with Professional Communities (James) – James reported that the idea of having AA members shadow doctors was canned.

Public Information (Kevin K) – Frank reported that the billboard is at I35 and Mission.

Central Office (Angela) – no report.

Old Business

Eric and James are still researching the formation of a steering committee.

New Business

Bob S. made a suggestion that we increase the number of Saturday night celebrants.

There was discussion around the seating arrangement. Susan volunteered to work on a more efficient floor plan.

Jen P. distributed screen shots of changes to the website. Those changes were approved.

Several committee representatives haven't shown up at committee or business meetings for several weeks. A motion was passed to post a nomination sheet for the alternate GSR, Public Information, Treatment, and Central Office service positions. Elections will be held at April's business meeting.

Toni W will do some more research into finding another meeting room for first step meetings. She reported that the church is OK with us using any available room and is going to try to obtain a room schedule and obtain another key.

A motion passed to post important topics raised in business meetings on a bulletin board so that everyone, no matter when they attend meetings, is aware of proposed changes.

Karen N. asked if the group could donate some Big Books and 12 x 12's to Shawnee Mission MC. Craig is going to see if we can't use some of the excess district money for this purpose.

The next business meeting will be held on Monday, April 14 at 8:15pm.
